

PROGRAM PROPOSAL
Location: Palma de Mallorca (SPAIN)

Internationalization in Europe

ACTIVITIES		<i>Learning Objectives</i>	
1. DAY	09:30-10:00	Introduction to the Spanish educational system and the Welcome Plan for immigrants	
	10:00-10:30	Transfer to the CEIP Rafal Nou	
	10:00-11:30	<p>Welcoming and Program introduction</p> <p>Information about the school</p> <p>Presentation of the School Welcome Plan for immigrated students</p> <p>Explanation of the basic policies about immigrants and administration challenges</p>	<p>Immigration is a wide current phenomenon and schools are absolutely involved in that from several points of view, especially social and educational. In order to understand more in-depth the reality of migrants when arrived in Europe, it is important to start knowing the local context considering its needs, problems and Strengths, Weaknesses, Opportunities, and Threats.</p> <p>The visit will empower participants with a real European knowledge on the migrants' topic and will find a trustful source on the issue.</p>
	11:30-12:00	Introduction to ERASMUS+ Program focused on the participants' field: identifying the more suitable E+ KeyAction to apply.	Explanation to the key figures of E+ Programme aimed to understand it and facilitate the Networking session with successful new projects' ideas.
	12:00-13:00	Networking : proposal for future projects.	<p>The international cooperation is something very useful and interesting for every organization.</p> <p>Erasmus+ gives you the opportunity to create new and international projects, but at the same time it is a very wide program. It's important to know it in-depth.</p>
